

## **OTSEGO CLUB OPENS THE NEW HILLTOP RETREAT**

### ***Executive retreat will be perfect for corporate, ski, and golf getaways***

**Gaylord, MI**– The Otsego Club & Resort, one Michigan’s leading golf resort destinations, and the States only private ski club, announces the opening of the Hilltop Lodge. This new executive retreat lodge will set a new standard in northern Michigan for small corporate getaways, family ski retreats, and golf groups.

The Hilltop Retreat was the vision of new ownership group, Osprey Recreation along with managing partner Mike Biber. Biber and Osprey envisioned a four-season corporate retreat destination that blended in with the rustic northern Michigan atmosphere, providing state of the art meeting and technology needs, all accommodating small groups of executives, families, or golf groups looking for a unique high-end lodging experience.

*“We are very excited about the Hilltop, which is the perfect northern Michigan retreat for corporate executives, golfers, and families alike”, said Mike Biber-Managing Partner for Osprey Recreation. “Our objective was to create a high-end room and meeting product that could appeal to not only small corporate meeting groups, but also golf groups and families who wish to upgrade to a more luxurious lodging environment. We feel we have accomplished this in true Osprey style.”*

### **The Hilltop is the perfect retreat for executives, families, and golf groups.**

The Hilltop Executive Retreat features eight executive suites that can be converted into one and three bedroom lockout suites sleeping anywhere from 8 – 28 guests. Guests will feel relaxed by the comfortable surroundings inside the rustic northern hardwoods design. Rooms are equipped with top of the line bedding, LCD televisions, high-speed Internet, kitchen areas, and rustic northern furniture.

In addition, the lodge features a rustic designed open common area utilized for relaxation and meeting space, which is perfect for small executive retreats of 12 – 20 people. The meeting area features a large gathering table made from log and hardwoods, massive stone fireplace, relaxing leather furniture, tables, and rustic hardwood decor. The lodge also features state of the art technology for meetings such as high speed and wireless Internet, drop down screens for presentations, and LCD television hook ups.

Executive meeting groups who utilize the Hilltop for their corporate meetings and retreats will also have access to the private ski club, world class golf, award winning dining, as well as many of the other resort amenities.

The Hilltop has become a popular retreat for the private club ski members who bring their families and kids up for that weekend ski retreat during the winter. In addition, golfers who are looking to combine world-class golf with luxurious and rustic accommodations will find the Hilltop retreat perfect for a high-end golf getaway.

**Otsego Club & Resort has been a fixture in northern Michigan.**

Since 1939, Otsego Club & Resort has remained a prominent fixture in the Gaylord area. In its present state, the Otsego Club is a year round full service resort home to 36 holes of championship golf, which includes the Classic course and the scenic Tribute course designed by NBC commentator Gary Koch. Otsego Club is equally well known as a family winter destination, boasting the Midwest's only full-service private ski facility with 31 runs, five chairlifts and a top-notch challenging terrain park.

In addition, the resort offers 117 lodge rooms, suites, and condominiums, over 24,000 square feet of meeting space, and three restaurants, including the award-winning Duck Blind Grille and The Pontresina, a multi year winner of the Wine Spectator Award of Excellence.
